Saturday November 23<sup>rd</sup>  
to Friday December 27<sup>th</sup> 2019

# *Experience the magic of Christmas in Mulhouse*

Soak up the Christmas Market's welcoming fairytale atmosphere! Since it was founded 28 years ago, the event has always been about being authentic and traditional with a dash of originality: its industrial era. The town dazzles with illuminations over the holiday season, wraps up in the finest cloth and exudes the sweet scent of gingerbread and mulled wine. It will soon be Christmas, a magical time. Alsations know how to keep their unique atmosphere alive through the generations and this legacy goes into the traditional Mulhouse Christmas Market.

## **Craftsmanship in our chalets**

Explore artisan products in the many chalets. This is your chance to unearth quality, regional and artisan little trinkets that will come into their own under your Christmas tree.

2019 COLLECTION

## **Christmas Cloth**

What sets Mulhouse apart at Christmas is that a new decorative cloth approved as "Alsace terre textile"<sup>®</sup>, proof of regional production, comes out every year inspired by the models at the Musée de l'impression sur étoffes.

*There's a new collection  
every year!*

Come and explore the 2019 collection adorning the 100 chalets and bedazzling Place de la Réunion during your trip. This is also your chance to visit the Boutique aux Etoffes to pick up a souvenir based on the famous cloth.
